

Join us for an Open House

The closely spaced intersections of Bogard Road at Engstrom Road/Green Forest Drive, combined with high speeds, lack of sight distance, and increased traffic have contributed to a large number of crashes and congestion. The goal of this project is to reduce the number and severity of crashes and also to improve day-to-day traffic conditions by reducing congestion.

Come to the Open House to see the 75% design, provide comments, and ask questions.

Date: Thursday, October 13th

Time: 6:30 to 8:30 pm (Stop by anytime!)

**Place: Pioneer Peak Elementary School
1959 N. Stringfield Road, Palmer**

All meeting materials will be posted on the project website after the Open House.

For more information about the project visit:
