

## Errata

Please make the following changes to the *Alaska Aviation Preconstruction Manual* update distributed under Transmittal Memorandum 04-02, issued November 24, 2004.

Near the top-center of Transmittal Memorandum 04-02 make a pen and ink revision changing the Effective Date from January 1, 2004 to January 1, 2005. (Note that the online version has already been corrected with pen and ink).
